RIVER OAKS RACERS SWIM TEAM 2018

River Oaks Head Swim Coach, Kirsti Salvetti, originally from New Zealand, has been in the USA since 1989. She has been swimming since age 5. After High School she swam on a Masters Triathlon team until leaving for the US. Kirsty has been teaching lessons for 22 years, coached Franco's summer swim team for 2 years and is currently head coach of River Oaks summer swim program and Safewater’s Swim Team Coordinator for the 14th year. She is a member of the Franco's Masters Team.

The Racers swim team was created in 1994 to serve the needs of developing swimmers at the club who are ready to learn competitive swimming strokes and improve their overall skills. Swim team is the best way to improve swimming skills after a child has advanced beyond swimming lessons.

Qualifications

This is a developmental program ideal for entry level swimmers and is designed to introduce swimmers into the competitive scene. We focus on stroke technique, endurance and positive self image through a non-stress, supportive team environment. Our summer program is designed for diverse ability and motivational levels to give each individual a unique swimming experience. This program offers superior stroke instruction, with a focus on improvement and having fun. Our qualifications for our 7, 8 , and 9 year age old group as well as our 10 and over age group is that the swimmers must be proficient in swimming the length of the pool safely. Our qualifications for our 6 and under age group are that they can swim at least a third of the pool without holding on to the side. Swimmers who are not able to safely swim 1/3 of the length of the pool efficiently will be placed in a swim lesson scheduled at 10:10am. This class will be labeled as the “Little Skippers”, devised as a progressive stepping stone to swim team. We will treat this session like a large swim lesson and children will be placed in the earlier class only if they progress. All 6 and under swimmers that are new to the program will be expected to pass a swim test to be placed effectively. The swim test will be scheduled on **May 23th at 5:00pm.**

Trophies and Awards

All swimmers will receive best time and good swim ribbons at each swim meet and a trophy at the end of the season.

Volunteers

Volunteers are needed to time at swim meets.
