General Requirements for all Rentals

Homeowners should understand that if they have an outstanding balance for homeowner's dues or assessments of any kind they lose their right to use or rent the Pool and/or Clubhouse. Residents that are not in good standing will have their use of facilities privileges suspended or revoked in accordance with the 14th Amendment of the Restrictive Covenants.

All reservations must be made by and attended by a resident. For all parties you must pay your deposit and sign this agreement to book your party with the facilities manager to reserve your space as to not allow parties to overlap. Deposits are required for all Rentals. The amount of the deposit is shown with each type of Rental. The deposit will hold your reservation and will be applied to your rental cost. If you do not cancel your reservation within 48 hours of your reservation date, you will forfeit your deposit. If additional cost is incurred due to your rental, charges will be due 10 days after your rental. Additional charges up to \$100 may be incurred due to failure to return the thermostat to RUN, misuse, damage or failure to fulfill all the requirements of the Rental as set forth in this agreement and the number of guests exceeds the number booked below.

ALL parties using the pool area MUST secure a lifeguard with Safewater Management, Inc. Failure to do so will result in a \$100 fine and/or loss of pool privileges. Send separate Check for lifeguards made out to Safewater Management with Agreement. Video Cameras have now been installed in the clubroom and all areas around the Pool. **If your party numbers are larger than booked with Safewater Management, Inc., the lifeguard has the authority to keep party swimmers out of the pool until the sufficient amount of lifeguard coverage deemed necessary arrives.**
